History of the Toledo
Women's District Golf

INTRODUCTION

By Sylvanus Pierson Jermain

FIRST, I want to congratulate the women golfers of Toledo, and those of the entire District, upon their achievements in Golf and the fine spirit in which they have gone about it all. To the officials of the District Association, past and present, the highest praise is due. Toledo has, also, reason to be very proud of its District champions whose faces will look forth from these pages.

It is a genuine pleasure to me to be accorded the privilege of writing this message of introduction. One of the finest things in Toledo golf has been the active interest that women have taken in it from the beginning. In all of the clubs of the Toledo District, the women have been a vital factor in their growth.

In the early days, this spirit expressed itself in Mixed Foursome events and team matches, both local and throughout the District. All of these, however, were limited by the small number of clubs. Now there are over twenty in the Toledo District. While the women had all of the needful spirit, it was not until this expressed itself in organized golf of their own creating and management, that their game "came into its own." It surely has achieved much in the decade closed. The progress has been ideal.

The women have demonstrated an ability for organized and efficient government in golf and the faithful upholding of the game's best standards, that can well be followed as an example.

I have esteemed it an especial privilege and honor to officiate at several of their tournaments. In these, I have noted particularly the seriousness with which they observe its time-honored rules and etiquette.

This really wonderful out-of-door game has grown chiefly because it has meant so much to the health and happiness of millions of people in the world. This appeal and these benefits have become so well known, and accepted as needful, that each year witnesses a twenty per cent increase in the number of players every where. In Toledo, in the single instance of public golf, 112,000 games were played in 1929.

All things indicate that, in a few years, at least 10,000 Toledoans will be playing golf.

The fact that the women "have come into the picture" so whole-heartedly is surely a vital factor in many ways. The "golf widow" is no longer exploited in the papers as either a feature or an object of pity. She has taken up golf. Frequently she can give her husband a handicap and beat him prettily.

Indeed, in every season, and for every reason, the Women of the Toledo District Association have really achieved, in all good and desirable ways. The unselfish purpose and genuine courage which has made the following history possible is entitled to the highest praise and gratitude from the women golfers of the entire District.

FOREWORD

IN 1924-1925, when I was President of the T. W. D. G. A., the thought came to me to keep all records of our tournaments, that some day they might be of interest to our District in book form; also to have a bronze plaque made, the plaque to hang in the champion's home club.

These two ideas have been with me through these years. On Sept. 28, 1929, I put them before the District Board. They, too, agreed and asked me to appoint a committee to work along these lines.

Our first efforts were to give a card party to help raise the funds. This party was held at Heather Downs, Nov. 12, 1929.

It seems only fitting that some mention should be made of the first women who played golf in Toledo, because they were the ones who started inter-club matches. It is from their efforts to foster the game that our present District derived its start.

As I understand it, they started playing under the guidance of Mr. Jermain at Ottawa Park. Those joining Inverness soon afterwards and playing from the first private club were Mrs. Harry Cummings, Mrs. Davidson, (Country Club), Mrs. Harold Fraser, Mrs. Thrift, Louise Kitchen, Mrs. Hugh Ross, Mrs. John Cameron, Mrs. George Rich, Esther Brinkerhoff, Helen Burnep, and Mrs. Hawley Mead. A few years later the following were added: Mrs. Herve Cheney, Mrs. Arthur Budd, Mrs. A. B. Newell, Mrs. F. H. Seymour, Mrs. Irving Houghton, Mrs. Fred Reama, Mrs. J. H. Bellows, Mrs. John Harris, Mrs. Linton Fallis, (Helen Tillotson), Mrs. George Greenhalgh, (Marie Walbridge, Country Club).

It has been a pleasure to compile this book. If my friends find it worth while, then I will feel that the time has not been spent in vain.

The magnitude of the work can best be judged by reading the pages under the title, "History." We are indebted to Mrs. Frederick Seyfang who collected all the data from the files of the TOLEDO TIMES, the TOLEDO BLADE, and the TOLEDO NEWS-BEE, which were opened to us by the courtesy of the publishers.

I wish to say in this connection that the secretary of the Committee, Kathryn Kalbfleisch, who has done all the typing of the manuscript, is entitled to the gratitude of the Association.

Sincerely,

Elizabeth Doddridge Wilkinson, *Editor.*

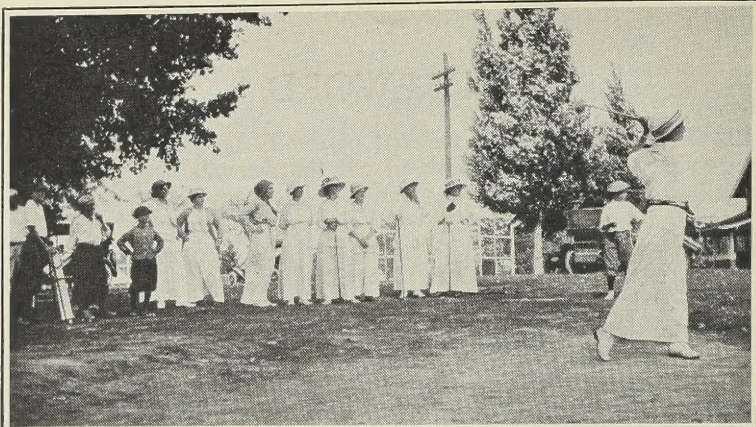

On behalf of the Committee I wish to say that it has been our aim to furnish our readers with the correct information regarding the founding of the Women's District Golf Association of Toledo and to give you all important events up to the year 1930.

The Committee has worked faithfully and unselfishly with this one idea in mind.

WOMEN'S CITY CHAMPIONSHIP 1918

The first championship tournaments were called the City Championships. Although the name of the organization was changed from the Women's City Championship League to the Toledo Women's District Golf Association in 1920, it was not until 1924 that the tournaments really became District Championships, for it was in that year that the first invitations to become members were extended to the golf clubs of the surrounding towns.

The first championship tournament was held at Country Club, the qualifying round being played on Monday, Sept. 30, 1918. Mrs. F. H. Seymour was medalist, winning the cup given by Mr. J. H. Frambach.

Sixteen entered that first tournament and played the first round as follows:

TOLEDO WOMEN IN GOLF CLUB

Toledo Blade, May 4, 1920.

At a meeting held Tuesday afternoon at the home of Mrs. A. B. Newell, the Woman's City Golf League was organized, and plans laid for the summer's play.

The league is being launched by women golfers of the Toledo Golf Club. Mrs. John Cameron was elected president, and the Tournament Committee comprises Mrs. George Greenhalgh, Mrs. A. B. Newell, Mrs. B. A. Stewart and Miss Esther Brinkerhoff.

Inter-club matches will be held at various times during the summer over the various courses of the city. Many new stars are likely to be developed during the summer, and a city tournament for women, staged toward the end of the season, should be an interesting feature of the golf season here. Dates for the events have not yet been decided upon.

Although Toledo women have been playing golf for several years, this is the first time that an organization to foster the game among the fair sex has been achieved.

The second championship was played at Sylvania, July 12-15.

Twenty-six players entered the qualifying round played on Monday as follows:

The scores and pairings for the flights follow:

Mrs. Greenhalgh won the driving contest and Mrs. Hauck, the approaching.

In the semi-finals on Wednesday, Miss Tillotson defeated Mrs. Cameron and Mrs. Newell, the 1918 champion, Mrs. Morrison. 9 and 18-hole medal handicap consolation matches were played that afternoon.

In the finals on Thursday, Miss Tillotson, by superior putting, defeated Mrs. Newell, winning the championship and the silver bowl given by Mr. Robert Stranahan, president of Sylvania. Mrs. Newell won the runner-up prize offered by Sylvania.

Miss Kitchen won the second flight from Mrs. Weber, 2 up, and, with it, the prize given by Mrs. Cheney. Mrs. Weber, as runner-up, received the Sylvania prize.

In the fall a State Day Tournament was held at Country Club. Helen Tillotson, Toledo champion, defeated Mrs. Katharine Starbuck, of Scioto Country Club, Columbus, the State champion.

Toledo Times, Sunday, May 15, 1921.

Miss Helen Tillotson, Toledo's champion woman golfer, whose portrait is reproduced today from a sketch made for the Times by Mr. Karl Kappes, won the city championship last season at the tournament on the Sylvania course.

Miss Tillotson also came out first in the State Day Tournament last fall on the Country Club links, when women golfers from all points in Ohio competed. In addition to these conquests she won a day tournament held at Dayton.

In recognition of her golf achievement she has recently been made chairman of the women golfers at Inverness, where she may be seen on the links practically every day. Miss Tillotson says that she plays the old and honorable game for the pure fun of the thing but that she has an ambition to enter some of the big tournaments and so become proficient enough to play as well as the leading women golfers in the country. To this end she is really going to "work" at golf this season, rather than play at it.

The young golf enthusiast is the daughter of H. C. Tillotson of the Tillotson Manufacturing Company. She was educated at the Monticello School for Girls, one of the oldest boarding schools in the country, and it was there that she acquired her love for athletics and the out-of-doors.

Miss Tillotson may usually be seen wearing sport clothes or attired in regulation golfing suit. She does not, however, espouse the cause of knickerbockers for the woman golfer.

The third championship tournament opened at Inverness, Monday, Sept. 12 with the thirty-four women paired as follows for the qualifying round:

Mrs. George Greenhalgh	vs.	Mrs. John Cameron
Helen Tillotson		Mrs. W. W. Morrison
Mrs. Herve Cheney		Mrs. A. B. Newell

Seymour; Mildred Swartzbaugh defeated Frances Tiedtke, 1 up, in the third flight; and Mrs. E. J. Wilkinson won from Mrs. R. C. Jamison, 4-2, in the fourth flight.

A general consolation handicap for all players ruled out in match play was played Thursday.

These first three championships were held under the direction of Mrs. John Cameron, president of the Association during its first years.

In October a city tournament under the direction of Mrs. Prentice Rood, Welfare Director, was played at Ottawa Park with luncheon served at the Toledo Golf Club. Helen Tillotson won the tournament and with it the silver cup presented by Mrs. Rood. There were only a few players. The prizes were given by different people interested in woman's golf in Toledo.

1922

At the beginning of the 1922 golf season, new officers were elected and a governing committee was made up of the chairmen from the four clubs.

Mrs. A. B. Newell, Country Club, became president, Mrs. L. D. Moon, Sylvania, vice-president, Mrs. J. E. Cameron, Toledo Golf Club, secretary, and Mrs. J. H. Bellows, Inverness, treasurer. My dear Mrs. Wilkinson:—

Will you write to me at once and tell me if this offer is still open to us, and we will decide on it, Thursday, April 9th?

Sincerely yours,

A letter from the 1925 president, Mrs. Wilkinson, to the members of the District.

437 Rockingham Street,
Toledo, Ohio,
Dec. 28, 1925

Dear Members:

The District dues have been raised from \$3.00 to \$3.50 for the purpose of taking care of four extra tournaments.

A regular day, Friday of each week, has been decided upon as District Day.

Do you realize what is offered you by becoming a member of the District? You are permitted to play on eight different courses one day a week; also, if you have a handicap, to compete for a prize each tournament day.

Tags will be given out according to the position you held at the end of last season. A committee will work out a system regarding these tags.

The annual invitation has been received from Mr. Bellows for Wednesday, June second, at Catawba Cliffs.

This year you must belong to the District to be able to play in the District Championship.

According to our By-Laws, which were adopted at the Annual Meeting last year, the Board of Governors held a meeting the first week of January, 1926, for the purpose of electing officers for the present year. Before introducing these officers, I want to thank the committees for the past two years that have so ably and graciously helped me during my term. In retiring I feel sure that I am placing the District in very capable hands.

Sincerely yours,

Elizabeth D. Wilkinson.

MISS MARY HAUCK,
Champion of District, July 26, 1929
Sylvania Golf Club

She's Co-Ed Golf Star.

Mary Hauck of Toledo, a junior at Ohio State University and women's golf champion of Toledo, modestly admits she has broken 80 several times in her golf career, but her greatest ambition is to make a hole-in-one.

Miss Hauck, from a family of golfers, including her father, mother, brother and sister, is a member of the Sylvania club of Toledo, and has played ever since she was 10 years old. She is now 20.

She entered the national women's golf championship at Birmingham, Mich., but failed to qualify, thus robbing her of what proved to be her greatest thrill, playing against some of the foremost feminine golfers in the country.

Miss Hauck won the Toledo title this summer after five years of fruitful effort, and would like to follow in the footsteps of Glenna Collett, famous woman golfer. Her favorite male golf star is Bobby Jones.

She is a member of Kappa Kappa Gamma and is prominent in Women's Athletic Association affairs at Ohio State.

Became Ohio State Champion at Scioto Country Club, Columbus, Ohio, July 11, 1930.

IN CONCLUSION

In bringing this book to a close, it is with a great feeling of pride and joy I mention the feat one of our own District members accomplished this past week.

On July 11th, 1930, at Scioto Country Club, Columbus, Ohio, where the Eleventh Annual Ohio Woman's State Tournament was held, Miss Mary Hauck, Sylvania Golf Club, Toledo, came through with flying colors, playing some of our foremost golfers in the state and winning the crown.

This is the first time in the eleven years existence of this institution this championship has been carried to Toledo.

Her first match was with Mrs. Nelson of Dayton, winning one up. Second match with Mrs. Tanner of Cleveland, 6-4, the third match with Miss Martha Kinsey of Cincinnati the 1925 champion, one up in the semi-finals and last in the finals Mrs. Curtis Sohl of Columbus, winning three and one.

This indeed was a great honor for our twenty year old District Champion to bring home with her to Toledo.

The large cup bears the following inscription:

WOMAN'S OHIO STATE GOLF ASSOCIATION

GOVERNOR JAMES M. COX TROPHY

1920	Mrs. Katharine Starbuck
1921	Blanche Parks Graham
1922	Louise Horton Fordyce
1923	Louise Horton Fordyce
1924	Louise Horton Fordyce
1925	Martha Kinsey
1926	Louise Horton Fordyce
1927	Mrs. Julian W. Tyler
1928	Dorothy Ricards
1929	Blanche Parks Sohl
1930	Mary Hauck

Mary's own cup, a replica of the large one remains in her possession permanently while the large one stays one year in her own Club.
